Adanya Sharma / Android Authority that you have collected a new brand smart TV TV in time for summer, you have to get the value of your money. Of course, you can sit and watch the cable TV throughout the night, but it's not the reason you bought a smart TV. We're here to talk about the apps. Before downloading something and everything, we have some Recommendations. Here are the best LG Smart TV apps that you can download right now. See also: The best Android television apps to get the most out of your TV before starting, it is important to remember that LG smart TVs are managed on WebOS. It is not the same as Android TV, so you won't have the same list of apps. We tried to hit the main actors on our list to show you how many LG TV smart TV can do. Even if you don't see your favorite streaming service mentioned, you will find a good chance that you will find it in the LG content store. The best LG Smart TV app: Price: Free / Premium Various service Tackle one of the easiest categories before music. A lot of people turn to apps like Spotify and Pandora to explore their favorite songs, so why not add one to your TV? The LG Smart TV version of each app works very similar to your mobile version, just jumped to adapt to television. At this time, Spotify is by far the most voted musical service on the LG content store, but also Pandora is available, and each option packs a vast bookcase of songs to choose from. You can also draw on Sirius XM if you prefer the feeling of live radio. There are too many video services to be counted, and it's even worse when you need to switch from the apps to access your favorite movies. Movies wherever you challenge that notion leading all your downloads in a single brought app. You will have to connect all your accounts to this LG Smart TV app, but then you could see all your favorites with facilities. The movies wherever they are similar to Plex, which is also available in the LG content store. Best of all, movies everywhere is completely free, and can help you discover new offers on the contents of your other services. Watch it in the content store See also: What is the movies anywhere? Here's what you need to know YouTube TV Price: \$ 64.99 at the month Maybe looking at your new LG Smart TV as a way to completely abandon the cable box. If so, there are some live television apps to consider. The head among them is the TV YouTube, even if the sling TV and the Hulu TV are also available. YouTube TV could be the most expensive app on this list of LG Smart TV Must-Haves, but offers over 95 channels and some premium bundle options. Regardless of which television app you choose, you should provide a new and convenient way to beat the boredom. Look at it in the content shop See also: here are all the TV channels youtube available Disney Plus (and other video services) Price: Free / premium service varies your apps should reflect your personal needs and video services are no exception. Just like with musical services, you have the choice of litter when it comes to LG Smart TVs. Disney Plus is one of the most popular and more voted apps right now, thanks to Hamilton and the content coated. You can also contact Hulu, Netflix and Apple TV, but each comes with your subscription fees, then be careful. You still won't have HBO Max, but we have our fingers crossed for a possible launch. Watch it in the content store See also: Disney Plus: What is it? Should you have it? All you need to know at twitch Price: Free / prime gaming with your first mechanisms, rejoice! Twitch is another popular app on LG Smart TV, even if it's not for everyone. If you are not interested in Streams or NWSL, you may not need a lot of twitch, but your children want to try. You can draw on flows from your favorite creators, order for several games in the foreground, and more as you explore the app. Twitch also introduced a function that allows you to enjoy content with family and friends even when you can't be together. There is really not really To contract, unlike most other apps on this list. Watch it in the Content Store Funimation Price: Free / \$ 7.99 to the month Ven Although Funimation is a video streaming service like the others, its dedication to animation deserves its own mention. Premium Plus costs only \$ 7.99 a month, and it's a simple way to get rid of those pesky ads. The service offers over 36 pages of the best anime shows, and you can check them all right from your LG Smart TV. You can also view the evaluations for each show before immersing you to make sure you get the best of the best better souls around. Look at it in the content store See also: What is the Funimation? Here are everything you need to know BritBox Price: Free trial / \$ 6.99 to the month BritBox is another video service with a unique corner. This time dedicated to the glory of British television. This LG Smart TV app It is a joint effort between the BBC and the ITV, with a healthy dose of BritBox original mixed. It is one of the simpler ways to enjoy the successes of Rowan Atkinson as a Blackadder or keeping up with weekly shows like Snowmatters. Currently you can Access BritBox in the United States, Canada, United Kingdom and more. Watch it in the content store See also: What is BritBox? All you need to know about the UK TV Streaming TV service LG price: Free in a world where practically every streaming service costs \$ 8 or more per month, LG channels are a breath of fresh air.
