Android 2.3 + Version: 1.1 44.5Mb Five Nights at Freddy's 4 (MOD, Unlocked) - the fourth part of the famous horror franchise which is the final chapter of the series. And so, once again you have to hold out until the morning while trying not to fall into the clutches of Freddie Fazbear, Chick, Bonnie, Foxy, but how you will survive in such a dangerous situation is up to you. Without a doubt, the experience gained during the passage of the previous parts is useful to you, but it is worth noting that the creators of the game prepared a whole range of surprises and surprises. NOTE: This game requires at least 512 megs of RAM. Phones with less than that may crash! In this last chapter of the Five Nights at Freddy's original story, you must once again defend yourself against Freddy Fazbear, Chica, Bonnie, Foxy, and even worse things that lurk in the shadows. Playing as a child whose role is yet unknown, you must safeguard yourself until 6am by watching the doors, as well as warding off unwanted creatures that may venture into your closet or onto the bed behind you. You have only a flashlight to protect yourself. It will scare away things that may be creeping at the far end of the hallways, but be careful, and listen. If something has crept too close, then shining lights in its eyes will be your end. FAQ How to download Five Nights at Freddy's 4 Hack?
