ACKNOWLEDGEMENTS

I cannot express enough thanks to my committee for their continued support and encouragement: Dr. John Doe, my committee chair; Dr. Virginia Lands; Dr. Samuel Cartwright; and Dr. Michael Sherman. I offer my sincere appreciation for the learning opportunities provided by my committee.

My completion of this project could not have been accomplished without the support of my classmates, Sally, Robert, Gene, and Alberta; and my children. To Jackie, Thomas, and Mary – thank you for allowing me time away from you to research and write. You deserve a trip to Disney! Thanks to my parents as well, Mr. and Mrs. Lawrence Smith. The countless times you kept the children during our hectic schedules will not be forgotten.

Finally, to my caring, loving, and supportive wife, Margaret: my deepest gratitude. Your encouragement when the times got rough are much appreciated and duly noted. It was a great comfort and relief to know that you were willing to provide management of our household activities while I completed my work. My heartfelt thanks.

ACKNOWLEDGEMENT

First of all, we would like to thank ALLAH S.W.T and HIS messenger, Prophet Muhammad S.A.W. It is because of HIS blessing, it is possible for us to finish this assignment. We had finally managed to finish up this group project with great enthusiasm and determination. All the time spent to search and discuss ideas as well as justifying theoretical clues to drive the output were worth our effort and time, Insha-Allah.

Therefore, we would like to acknowledge with thanks, the individuals who had guided us in making this project. Firstly, we would like to thanks to our Fundamentals of Management's lecturer, Sir Zainuddin Bin Mohd Piah. He had guided us on how to complete this assignment. Every week in class, he always reminds and gives guideline on how to search information about this assignment. Then, we would like to thanks to all our friends who had helped and shared ideas with us. They also gave us supports and advices. Lastly, we also want to thanks to our parents who always prayed well for us and giving their time to hear our problem. Thanks a lot to all units in UiTM Kedah.

We hope our assignment is complete and will be receive. We had used our effort and acknowledgement to search information and ideas. Hoped our effort was worth it.

I do not know what I appear to the world; but to myself I seem to have been only like a boy playing on a seashore, and diverting myself in now and then finding a smoother pebble or a prettier shell than ordinary, whilst the great ocean of truth lay all undiscovered before me.

Acknowledgement

First of all, I would like to express my gratitude to Almighty Allah to enable me to complete this report on "Financial Inclusion: Importance of Mobile Payment System."

Successful completion of any type of project requires help from a number of persons. I have also taken help from different people for the preparation of this report. Now, there is a little effort to show my deep gratitude to that helpful person.

I convey my sincere gratitude to my Academic Supervisor **Dr. Mianar Rahman, Associate Professor of Department of AIS, University of Dhaka.** Without his kind direction and proper guidance this study would have been a little success. In every phase of the project his supervision and guidance shaped this report to be completed perfectly.

I would also like to thank my colleagues of eretop to give a clear idea about mobile payment system in Bangladesh.

Example of Acknowledgement For Thesis – Sample 3 This short acknowledgement is written by Matthew Brillinger from University of Ottawa for his thesis. You can check the full thesis sample here. University: University of Ottawa Author: Matthew Brillinger Full Thesis Sample: Westheimer has been an ideal teacher, mentor, and thesis supervisor, offering advice and encouragement with a perfect blend of insight and humor. I'm proud of, and grateful for, my time working with Joel. Sharon Cook taught the course where I first wrote about educational parks, and Lorna McLean taught the course where I first wrote about educational park planning in Berkeley. This thesis builds on work done in those courses, and many of its ideas were developed with Sharon and Lorna's help. I was delighted when Sharon and Lorna agreed to be on my thesis committee. Agata Soroko is an inspiring colleague, blazing a trail I followed in writing my thesis. Members of the U.C.L.A./University of Ottawa Inequality Project provided a number of helpful comments and suggestions. Christopher Harter and the other staff at the Amistad Research Center made my archival research both productive and enjoyable. Many thanks to my parents and children. Immense gratitude as always to Carol for her patience and support. Acknowledgement Sample For Thesis – Sample 4 University: Columbia University Author: Julien Saint Reiman Full Thesis Sample: people supported my effort on this essay. Professors Elizabeth Blackmar and Mark Mazower provided invaluable feedback on my analysis and framing, at times responding to emails late at night and early in the morning. Several other professors gave helpful advice as I wrote, including Manan Ahmed and Mark Carnes. I especially want to thank Professor Anupama Rao. Her course on Bombay and its Urban Imaginaries led me to Columbia University's UNRRA Papers, and her encouragement to write this thesis made me confident that the topic was worthy of my investigation—and that my investigation was worthy of the topic. I am indebted also to several Columbia students. Graduate scholars Kellen Heniford, Divya Subramanian, and Sohini Chattopadhyay helped me find my footing as I started this process. Dore Feith read this piece four times, and his careful eye and knowledge of 20th century foreign affairs pushed me to be the most honorable historian I could be. Libby Kandel's advice also lays between the lines of this essay. Lastly, my family deserves endless gratitude: my father for teaching me to appreciate history and storytelling, my mother for teaching me how to write with concise purpose, and my brother for teaching me that an assertion of dominance is not necessarily a bad thing. To my family, I give everything, including this. Acknowledgement Example For Thesis – Sample 5 University: University of Ottawa Author: Heather Martin Full Thesis Sample: you to my supervisor, Dr. Holly Johnson, for your patience, guidance, and support. Thank you to the interviewees, who so generously took time out of their schedules to participate in my research and make this project possible. Thank you to Margot Charbonneau, Operations Coordinator at the Institute of Feminist and Gender Studies, for all of the kind words and assistance you have provided. I am indebted to my supervisor, Jeff Lundeen, for his continued guidance and an endless supply of fascinating projects. His unassuming approach to research and science is a source of inspiration. This approach is reflected by his simple but clear writing style, which is something I hope to carry forward throughout my career. I gratefully recognize the help of the Lundeen lab post-doc, Lambert Giner, whose Labview codes automated my experiments. In fact, computers did most of the work in this thesis (they never get their due credit). I also had the pleasure of working with Rebecca Saalink, who graciously showed me the ropes of her cloning apparatus. I am fortunate to have been a part of the CERC group. Thank you to the fun squash matches Kashif and Shayani, and thank you to my officemates for the lively physics conversations (especially Akbar, who always asked difficult yet simple questions). You name should be on this thesis as much as mine. Acknowledgement for Thesis – Sample 14 University: Nottingham University Author: Jean D. M.
