Verbal Advantage: Ten Simple Steps to Build a Strong Vocabulary. The 10-step dictionary program teaches 500 keywords and 3000 synonyms. Verbal Advantage provides complete instructions with clear explanations of meanings, word history, usage, pronunciation and more. Much more than just a standardized test, the book aims to be a lifelong vocabulary building tool that teaches vocabulary used only by the majority of Americans using a proven method to help you retain your knowledge. You will go through ten levels of vocabulary, each one more difficult than the last. For example, Level 1 contains words that about 60 to 70 percent of adults know, words that many high school graduates and most college graduates know. By the end of Level 5, you will have expanded your vocabulary to approximately the 75th percentile in the top quartile of all educated adults. By the end of Level 8, your vocabulary will surpass that of most managers and professionals, including those with a higher degree. And by the time you complete the tenth and final level, you've leveled up over 95% of the population. You will master a vocabulary that few in a thousand can match. 1.
