Photo of courtesy: Goodreads every year, the American Library Association (ALA) recognizes an exceptional work of children's literature prepared with the Newbery medal. The award is named after John Newbery, an 18th century publisher who said "invented" literature for children. The idea behind the award? The award aims to recognize the value of children's literature and reiterate the importance of encouraging children to read. In 1922, Hendrik Willem Van Loon's Humanitas history became the first book of children to receive Newbery's medal. Every year since then, the list of winning books of the Newbery medal has grown, and offers everything, from the holes of Louis Sachar and to walk two moons of Sharon Creech to the Direy by Lois Lowry and Beverly Slekeny SA dear Mr. Henshaw. So if you are looking to curate a large list of summer readings for children, grandchildren or students of your life, here are some of the winners of the most recent - and convincing medal - all of which are read books. When he traps a tiger of Tae Keller not only won the medal of the Newbery 2021, but he also won the Asian / Pacific American award for children's literature and was a Bestseller of New York Times. The book leads to Korean folklore life, and centers of Lily, a girl who is on a mission to save her sick grandmother with the power of stories. A long time ago, Lily's grandmother stole something from a magical tiger that appears in the folklore, therefore, since the destiny would have had, Lily's mission is to give that stolen object. In return, grandmother's health will be restored. Photo of courtesy: Goodreads obviously, Lily not only needs to find his voice, but his courage and "and this is easier to saying when you have to do with a tiger." Stories were written in the stars, "notes of books", ... This wonderful story would be one of the most brilliant. "The flora and Ulysses of Dickillo, who won Newbery in 2014, is a superhero story that revolves around a self-proclaimed Flora and a squirrel named Ulysses. A tragic accident that involves Ulysses and a vacuum cleaner brings flora to save it, but its new, strange post-empty powers of Ulysses contribute to advancing history, leaving young readers to discern as experience changes also flora. Photo Courtesy: A TYPE OF JOURNEY / Instagram Accompanied by comics on the other page Images of style, flora and Ulysses of J) hilarious, captivating, and magical, which make it a perfect addition to the list of summer reading of any child. The award-winning author and poet of children's books Kwame Alexander won Newbery Medal 2015 with his book The Crossover. It was also a Bestseller of the New York Times, and the same year earned a place in the top ten best fiction for Young Adults. Written in verses, the book everything but implores to be read aloud. Tell the story of Jordan and Josh Bell, two twelve-year-old twins, who face life as a kids. Photo Courtesy: SatuluKee / Instagram This hectic history sees the twins face all sorts of problem, including the first love, brotherhood And of course, basketball. Bringing the momentum of a basketball game, this novel in verses contains a real fist and leaves everything in the field. Ciao, Universe won the Newbery Medal in 2018. Written by the acclaimed author for children Erin Enter Kelly, the book It is narrated by four characters, two boys and two girls who live all in the same neighborhood, which have become friends, rather unexpectedly. While history intertwines back and forth among their perspectives, issues emerge how to own their unique and find their own inner hero. Photo Courtesy: Yanateaches / inventive and rich in eclectic characters, Hello, Universe will attract young people readers and teach them the importance of daily daily acts. Jerry Craft won both the Newbery Medal and the Scott King Book Award. Needless to say, it is a must read. Aimed at pre-teens, this mid-level story focuses on a new new Jordan, who ends up going to a private school of A © Lite. The problem? Jordan never wanted to attend the academy - she would have preferred the art school. Photo of courtesy: Bookchampions / Instagram New Kid launches a light on racism, elitism and white privilege, everything while he prepares himself with Jordan's middle school anguish. With a relative main character, Craft wrote a classic instantaneous. Not to mention Jordan's drawings, they are used throughout, making this book the most beautiful and engaging. Merci Suarez changes Gears is the story of Meg Medina, the story of a scholarship that starts to start the sixth elementary in a private school. She won the 2019 Newbery medal thanks to her She wisdom, humor and her relationships of her. In the book, goods and brother of her, Roli, sailed the difficulties of classism at school and loneliness at home-and this is all at the top of the preteen challenge every middle school faces. Photo of courtesy: TwoFriendsBooks / Instagram with such a strong and honest main nature, readers feel undoubtedly connected to goods while you provide information about the wild and constantly evolving world of a sixth grade. Furthermore, the scholastic library magazine praises the portrait of a faded and complex lattintment character, noticing that "Medina Cruises in the hearts of readers" - not unlike goods. The only one and unique Ivan is an illustrated novel by Katherine Applegate, who won the Newbery medal in 2013 and became a Bestseller of New York Times. It was inspired by a story that the author has arrived that he involved a prisoner gorilla named Ivan. In the book, Ivan spent 27 years in a glass housing of the mall; The life of him in the jungle crosses the mind of him more. Instead, Ivan passes the time watching TV, chatting with friends and painting. But when Ruby, a baby elephant, enters the picture, Ivan starts to realize terrible truth about their "home". Photo courtesy: Goodreads In playing this, readers "will discover an animal hero who will take his place other brave and beloved animals such as Bamby, Mrs. Frisby, Charlotte and Wilbur. "Shelf awareness notes on the book jacket." [E] Adults who read this aloud with children will find it just as rewarding. "2017 Kelly Barnhill's 2017 Newbery Medal winning the girl who drank the moon is a fantasy story that follows a girl, moon, who was raised by a wonderfully mystical trio - a witch, a marshy monster and the dragon Perfectly tiny. History is sweet, but at the same time, exciting and "full of feelings of magic and complex and nuanced. Photo of courtesy: Peary.BookClub / Instagram throughout the book, Moon must come to terms with its recently discovered magic powers, all while trying to solve the mystery of a nearby village, which was overcome with a deep sadness. The girl who drank the moon mixes magic with life lessons. Perspiaci in a masterful way. The review of the New York Times book calls him "impossible to put down", comparing "and laminated" classics like Peter Pan and the wizard of Oz. Now a high praise! praise!
