Fight through 80 action missions and a mode of popular history! Collaborate with the craziest characters to conquer Las Vegas! Explore a huge map 9 times bigger than the previous Gangstar games. Go up the leadership lists in wild difficulty such as races, MMA battles, victory missions and casino games! Log in to crazy weapons and crazy vehicles and regulate their appearance. Make surprising tricks with Ragdoll effects that use Havok's physics. Gangstar Vegas (video game 2013) Add to guide to: US certification: m (initial evaluation) gravity? I O 1.2 we could not send your feedback. Please try again later. P*CK, SH*T, ass, d*mn, p*ck, p*ssy, h*ll, c*nt, cathsh*t and godd*mn, often used in dialogues and games. 345 USA P*CK, 212 USA SH*T, 42 USA D*MN, 16 USA P*CK E 22 USA P*SSY. Also 6 applications c*nt. 33 use of nonsense.

Gangstar Vegas is a third-party shooter game. You will play as a growing MMA sample. In the mafia, you should launch the game for the fighting event of the year. You just became the most searched man in the city. In a place where the crime is everywhere, you will have to keep the weapon and take part in the craziest mafia wars. It is a game that walks and speaks just like a car for theft, but it is not close to the series that tries to copy and pretend. Gangstar Vegas looks beautiful and has moments of excitement, but always think of Sanandreas. If you are a fan, Gangstar Vegas is almost present, but not exactly. Gangstar Gangstar of game and stories that in the role of the MMA Chris fighter.

A rude man with a snake on the back of the jacket begins to play in a spectacular way, failing to start the struggle. After a brief introduction and some missions that explain how things work, go to your institution in the city. The stick on the left side of the screen moves Jason, while the button on the left leaves the beat, shootAnd when the time comes, he stole cars. The tab on the left screen shows points of interest.

Some of them are historical missions, others are side exhibitions that aim to slow down the game and introduce different mechanics. Just like in GTA Vice City. Expectations of the game (defeat and defeat) Most missions involve violence and killing in order to complete them and advance to the next level. They beat people, they bring people and they shoot people. All because he owes an obscure debt of loyalty to an alcoholic who starts off as a big boss. However, if you just want a fighting game, give Tekken 3 a try. While Gangstar Vegas tried to get rid of the ridiculous daredevils under the tone of its predecessor, Unfortunately, the balance between chaos and empathy fails and prevents you from overloading your control system if you must be strong and dependable. Fighting is a bit more than just a button for a button, no button or dodge, no block. The best pits are simple shooting pits that pee from one place to another.

At least a simple click on AIM saves quickly. Jump inadvertently off the edge of a bridge to sprint or drive cars into tight corners and spend minutes maneuvering in Gangstar Vegas. And as soon as you smile at the senseless, empty destruction it has brought to a city that is building up again. So if you're a big fan of the San Andreas and Vice City games and don't have time to play console games, Gangstar Vegas could be your practical retreat with all its violence and freedom. Give your inner animals time to be happy by killing off half-worn women. Wise Geek - Gangstar Vegas: Reviews of Gangstar Vegas manuals and secrets - Android Game as of 09/19/2013 Gameloft. Game Genre: Action. In the article, we summarized pump tips from top players, developers answer players' questions, a guide for beginnersSite and our secrets to keep the game. Please note that the Geek Wise website is constantly updated, visit us often. Where is the help of the gangstar 4? Go to settings and select help from the list. Here is detailed information about all the nuances of the game. Can children play this game? No, this game is intended for players over the age of 17. How to restart weapons or get ammo? You cannot overload weapons manually. You can buy ammo by clicking on the gun icon in the upper right corner of the screen.

You will go to the store where the weapons you need will be highlighted. The NPC can also leave ammo. How to learn a character? Once a certain power level (a certain experience point) is reached, the character increases in level. In total, the game offers 85 authority levels. How to gain trust? Authority performs almost all actions. You get the most points for story and side task performance, but you can earn them in other ways, including killing NPCs, stealing vehicles, and buying goods from the store. Where can I get the boxes? Boxes are available at the store. They are also worn by very important people who meet accidentally. A random icon will appear above such a character. If the character dies, they are likely to drop the box. And they can be earned in promotions. How to open the box? When shopping in the store, the boxes open automatically. You can also unlock them for free if you received them as a reward in-game or as a gift from a friend. How to get 2 or 3 level items? The main way to get Tier 2 and Tier 3 items is to craft them at a Workshop. Tier 2 and Tier 3 Goods can also be earned in Campaigns, purchased with Temporary Currencies or Conservative Dollars. What is VIP status? How to get VIP status? Any player can become a VIP and have access to VIP features and game bonuses. This state is notOver time, and you can make them buy in-game for real money. There are 10 VIP levels divided into 3 categories: Brown (Level 1-2), Gold (Level 3) and Diamond (Level 4-10). The higher the VIP category, the more elements are available. The higher the VIP level, the more game bonuses. VIP level is granted once and forever. What promotions are they running in the store? During the promotion, the player can buy rare items from the shop and get a discount. What is a loyalty / price program? Thanks to this system, you will receive more and more cold prices to connect to the game every day. There are 90 free bids in 90 days, i.e. one bid per day. It is recommended that you log into the game every day, but if you forget to connect, your game progress will not be restored. After the 90-day loyalty program, the next one will start with new prices. What is a group? A gang is a way to continue the game with other players.

You can reach any gang or create your own to participate in special lane promotions and get special prices. What are banner ads? Gang ads are limited missions in time with ranking. You must be a member of the group to do the homework and collect group points. All members of the best groups will receive unique prices.

What are group wars? These are battles with a limited time and plot of land. You must be a group member to participate in such a battle and earn promotion points. The best group will be awarded with unique articles that each member of the group will receive. What is the group level? The bar level is an indicator of its activity. To increase the level of the group, its members must play promotions and try to get as many points as possible. Each level unlocks a special group price. What are the gang prices? You can get special gang prices if your gang has already reached the desired level and scored enough points for your special gangInventory. These prizes are unique and cannot be won in any other way. If players leave the gang, their prizes will remain.

How do you join the group? Go to the Guy section of the game menu or the main menu and you will be asked to join existing groups or create your own. If you don't like the offers for any reason, you can join other groups. How to create your group? Go to the Guy section of the game menu or the main menu and you will be asked to join existing groups or create your own. Click on "Create a group", enter the name of the group and it will pay the game to create it. You will be the leader of the gang. How do I change a group's name, logo, or description? If you are a group leader (producer group) on these elements, you can modify the name, logo or description of the group if you are a group leader (producer group) by clicking on the "edit" icons. Description Tapes can be exchanged free of charge. Changing the group name will cost money. You will also need to pay in-game money for a new logo and some will need VIP status. Purchased logos can be exchanged at any time.

How to leave the group? You can go to the list of group members and press "Exit". If you are a party leader, you must appoint another party member in your place. If you leave the group, you will lose all the points you have collected during group promotions, but you will save all your prizes. What are progress district and progress city? In 5 districts, you will be offered a to-do list with four stars. For all activities completed in the district list, you will receive four stars as a reward for a unique item that you cannot obtain at all. Get all five areas and get big prizes. Why can't I purchase VIP items even though I have the appropriate VIP level? You must have valid VIP status to purchase VIP merchandise. You can check the status of your VIP VIP offer. To increase your VIP status, buy any kit or setWith enough VIP points. If my VIP status is inactive, can I get additional rewards for mission? NO.

You have to activate the VIP status to get additional rewards. How do I remove the button announcement? If you buy an article for actual money, activate your VIP status and buy VIP articles, you will receive additional bonuses to carry out tasks and deactivate ads. I saw the video, but I didn't get a reward. Contact user support and describe the situation in the most complete form. When will all devilish expeditions open? Everything in time. Which bonuses are VIP players available? VIP players receive the following bonuses: greater credibility, banknotes and diamonds for quests; Greater credibility of events in the game and more skills for a new level; Accelerated energy acquisition and increased energy reserves to participate in activities; Free revitalization (limited) and other diamonds, grenades, first kits, repair forms, armor and parachutes every day and bonus with the ability to store materials. Gather free entertainment? No, unused animations do not accumulate. Collect daily bonuses to restore your amount. At my VIP level, I count every day for everyday things and fun, but today I realized. Things and entertainment are collected in the free offer.

Free entertainment is available directly on the screen on which you are dead. I am a VIP player, but today I didn't get my daily VIP bonuses. The daily bonuses are credited 24 hours after the last collection, provided you are connected to the Internet. If the specified time has passed and you still have not received your bonus, please contact user support. What is the reception code? The purchase codes are distributed during the advertising campaigns and can be used once or several times to pay for a number of diamonds. Why do we need stimulants? Stims are new consumer accessories that temporarily improve their skills.In the open world and during tasks. What is an advertising item? With advertising items, you can succeed in the street sightseeing campaigns faster, as each task needs to be repeated less frequently until you get the full score.

How do you open all 5 districts? The districts are part of a city. They can be open at the beginning of the game, but you have to be sureRepeated tasks for 4 stars. To fulfill these tasks, fulfill previous tasks of this type (if it applies) and update your symbol at the required level. How to use a vehicle for delivery? If you want to use the last car, you must deliver it to the nearest parking. If you just bought a car, its delivery is free. What is the maximum level can I achieve? You can reach 85 levels. What is this region? Areas are territories that form the region. After the opening of the new area, you approach this field management. How to open the debts of a mission for the king of the devil? These studies are no longer in the game. Update the game to delete messages from this task. How to get planes and helicopters? You can buy them in a store, win advertising promotions or make them at seminars. Can you find out the probability of obtaining articles from boxes? Yes, press the information icon next to the mailbox, and you will see detailed information. How to escape from the persecution of the police without death? If you want, the police will look for your special area, limiting themselves to a search ring oriented to the current location. The size of the ring depends on the level that you are looking for, and you cannot get rid of the persecution only if you leave the search ring and do not meet new police officers (otherwise you will place the place of the "ring" to meet someone). After some time, the level that you are looking for will disappear, and you can return to the place of the game. The most important thing: to know where you are hiding, the police must see you, therefore, as a rule, the best solution is not to appear in the area that you are looking for. Can I just make sure that the helicopter will not fly too high, otherwise it will be damaged during planting. How does an advertising element work in a mini-gioco that I saw and won? It is one of the most valuable items in Las Vegas and you have the opportunity to get it after the prices end. Try to get it to the end! What are stocks? Actions are fixed, rankedThe best players are rewarded with unique items. You need energy to get started. If your energy is exhausted, you can wait for a recovery or buy diamonds. You must be a gang member to participate in gangs.

What is the power over the city? This is a way to capture the city from buildings. This allows you to get a stable income, VIP points, permanent bonuses for your character's property and a wide selection of goods in the store. What is the street rating? These are long promotions that have to complete various temporary tasks and get the result. Once you have reached a specific rating, you can approach the main campaign prize by opening the rating boxes or playing a roulette with a prize (depending on the type of activity). How can I take part in street reviews? You don't have to compete with other players, only your skills and time will affect your success. Complete every challenge to unlock the next. The tasks can be completed several times until you get the full score. There is no need to accomplish all tasks, just collect the required number of street passes that can be found in rating boxes or winning prizes in roulette (depending on the type of promotion).

What is an advertising item? With advertising items, you can succeed in the street sightseeing campaigns faster, as each task needs to be repeated less frequently until you get the full score. Please note that you can only use one particular item for each task, so you cannot collect bonuses from multiple items. The promotional goods can be obtained in the city (read more about it by exploring the map). The main price of the promotion is very bad! As a reward you have the opportunity to get the best goods, so the effort will be worth it. Please note that if you are lucky you can win the main prize before the endPlay this roulette for rewards! In addition, you can speed up your progress by getting a rating in the city. To do this, study the signs on the map and their description. What happens to my grade if I don't spend it during my education? At the end of the altitude meters you don't lose your whole grade. If you have enough rating, you will get the grand prize. Otherwise, the entire note will be exchanged for diamonds. Can I just buy a road reward? The main prize is too good for that! As a reward, you have the opportunity to snag the best goods, making the effort worthwhile. Remember that with a little luck you can win the jackpot before the end of the promotion, play the prize roulette! In addition, you can speed up your progress by getting a rating in the city. To do this, study the signs on the map and their description.

What happens to my grade if I don't spend it during my education? At the end of the altitude meters you don't lose your whole grade. If you have enough rating, you will get the grand prize. Otherwise, the entire note will be exchanged for diamonds. How do I add friends? You can invite your Facebook friends. For the best gaming experience, it is advisable to connect to a social network. Is there a way to lose game progress? No, the progress cannot be canceled, but the main menu in the quick play menu can repeat any mission. How to change incarnation in game?
