Instead, a deadly raiden now offers to become the advisor of liu kang throughout his life. this is the final canon that sets the stage for aftermath expansion. If liu kang successfully defeats kronika in two consecutive laps without losing once, he manages to reunite with kitana, and both promise to create a new and better timeline, canceling kronika errors. even if they realize that mortals will still make their choices and new evils arise, they resolve to face whatever happens together. after the defeat of kronika, the fire of god liu kang and raiden attempt to use the kronika hourglass to restore history, when they are interrupted by shang tsung, fujin and nightwolf; all who kronika imprisoned in void to refuse to join her until her death freed them. shang tsung elaborates that, due to liu kang destroying the crown of souls when he defeated kronika, the hourglass cannot be used to change history without destroying it. He persuaded Liu kang to send him, fujin and nightwolf back in time to steal the crown of the souls before cutrion took him back. Although raiden is distrustful from the motives of shang tsung, liu kang accepts and sends them back, remaining behind to protect the Fujin, Shang Tsung and Nightwolf are transported to Koliseum just like Kitana faced Shao Kahn. Try to escape unnoticed, but the news spreads about their arrival, urging urging for retaliation. Returning to Outworld, Shang Tsung uses Sheeva's debt to Sindel to give him access to the Soul House and restore Sindel despite the fierce resistance of Kitana and his allies. Sindel joins Shang Tsung and others on their way to his island, where Fujin defeats Kronika's forces and convinces the current Jax to change the parts soon while Sindel defeats Cetrion and helps the group capture the Crown. While Fujin launches the offensive on the Kronika estate, Raiden discovers Shang Tsung's plot and Sindel's betrayal while fighting Liu Kang's venant after he receives injuries from his past self. Raiden arrives too late to prevent Shang Tsung from deceiving Fujin to give him the Crown, and the sorcerer gains the full power of Kronika; revealing that he had planned everything since Kronika imprisoned him. It surpasses and drains the souls of Raiden and Fujin before using Sindel and Shao Kahn to reach the hourglass.
