Liverpool is an important city and a metropolitan village in northern West England. By 2015, the area of the City Council has had an estimated population of 478.580 years while the Liverpool / Birkenhead metropolitan area had a population over 2.2 million. Liverpool is the main city within the city region of Liverpool. Liverpool is located on the eastern side of the Mersey Estuary and historically lying inside the ancient hundred of the West Derby in the south-west of the County of Lancashire. It became a district from 1207 and a city from 1880. The expansion of the city in the industrial revolution has parallel its growth as an important port and participation in the context of Atlantic slaves. Liverpool was the port of the Ocean Registry Liner RMS Titanic, and many other ocean conard and white star liners such as the RMS Lusitania, Queen Mary and Olympic. The city celebrated its 800th anniversary in 2007, and held the European Capital of Cultural Title together with Stavanger, Norway, 2008. Different areas of Liverpool Center were granted the status of the UNESCO World Heritage Site In 2004. The city Maritime Maritime includes Liverpool The Pier Head, Albert Dock, and William Brown Street. Tourism forms a significant part of the city's economy. Labeled Guinness World Records' World Capital of Pop ", the popularity of the Beatles and other groups from the Merseybeat era and later contributes to Liverpool status as a tourist destination. Liverpool is also the house of two football clubs of the Premier League, Liverpool and Everton, matches between the two known as the Merseyside derby. The famous Horse Race of the Grand National Horse takes place annually at the interference of Raircourse on the outskirts of the city. Liverpool status as Port City has contributed to its diversified population, which, historically, has been traced by a wide range of peoples, cultures and religions, in particular those of Ireland and Wales. The city is also home to the most ancient African black community of the country and the most ancient Chinese community in Europe. The natives of Liverpool are indicated as Liverpudlians (or less commonly Liverpolltani) and conversed as "scousers", a reference to "scouze", a form of a stew. The word "Concuse" has also become synonymous with Liverpool accent and dialect. More information is available on the overlapping image of Wikipedia (before and after) today our comparison of the Landsat image is focused Liverpool city. Located in the north-west of England, it is the administrative center of Merseyside, on the Mersey River, near its mouth on the Irish Sea. Liverpool is the commercial goal of a large metropolitan area. Metro.its exports (mostly manufactured goods) have declined, it remains one of the main British ports. Liverpool is connected to the Wirral Peninsula via the river by two motorway tunnels (1934, 1971) and a railway tunnel. These images, taken over a period of thirty-two years (before/after), show that the city has experienced a great urban development, especially along the Mersey River, where the territory has changed considerably with the development of new infrastructure. These images are also intended to promote the possibility of downloading Landsat data through ESA portals, where images captured daily are made available to users and the scientific community in near real time.
