The more energy you have, the more tasks you can complete and the more you increase your endurance, the more rivals you can defeat. Improve these two characteristics, and it will be easier for you to complete tasks and defeat the gangs of rivals. 2. Collect income from your hood as soon as possible! When one of the buildings that you put in your quarter will earn money, make sure that you raised money as quickly as possible. Buildings cannot access any other income if you do not go to your hood and do not pick up all the money that you will win. 3. How to rob! Mobheats.com uses the following tips to correctly select other competitors: 1. Buy powerful equipment, especially with highPoints. The main attacks are vehicles and weapons. So use your respect points to buy more advanced devices. 2. Add more mafia members and increase the equipment that is associated with your mafia number 3. has many defensive buildings 4. The best Rob buildings are dinner, electronic business, warehouse, Italian restaurant, safe house, imperial theater, clothing shop and theater cinema cinema, because there are more respect and money. Continue and earn the most money from basketball created by Hubpaghe Crime City tells you about one of your hood rackets, which can get the most revenue: like any other building and as all these buildings, you can upgrade your building, which increases by 50 percent. Your initial income for one job (i.e. \$ 50 - after 1 update to \$ 75, after 2 updates, \$ 125 after 3 updates, etc.). So far, the best racket you can buy in Crime City is a basketball court. The trial period costs only \$ 400, and even before the update, its best work takes 2 days and revenue is \$ 1,050. Renewing the basketball court is

relatively cheap and increases the income per job, more than many other more expensive rackets. It takes up a lot of space, but just use an eraser to extinguish your knees to get more basketball chairs. 5. You know all the game classes that are available to players who use different games of the game. View the following information and discounts for each class: Magnate: Magnates earn 10 percent more revenue from all buildings, and their defensive buildings receive 10 percent more protection. The agent is again faster. Every 53 seconds that all three classes pass. 6. Complete your mafia and provide it accordingly. Increase the size of the mafia to bring more equipment to the battles! Any member of the mafia can pack weapons, neighboring weapons, explosives, car and armor. It is more powerful at the top. The higher the level, the more mafia members you can add to the battle. CacheMoney son! Your gang rivals will always take the opportunity to crush your empire and steal all your property. You should always aim to deposit a common currency into your bank in case your rivals knock 8. Connect to the syndicate, a huge community of players full of various groups trying to rule the world, mobile hoods. Try connecting to a syndicate, searching for their codes online (check the game wiki page or other forums). As part of a syndicate, you can take part in events that will provide you with more rewards in the game. 9. Try to get as many logins as possible every day and completing these daily scratches will give you bonuses and experience that will help your mafia troops become much stronger. 10. Check out some of the weapons you can get by completing the mission wiki page, which will augment weapons with missions.
