Now you have to create your dream team. Choose the 5 players you want on the pitch and compete in online matches against players from around the world. NBA 2K Mobile Basketball's control systems are somewhat simplified compared to previous PC and console versions. Use the virtual joystick on the left to take control of your player, and use the buttons on the right to pass, dribble, take free kicks and more. The controls are slightly different when you are in a special event or in other game modes. In NBA 2K Mobile Basketball, you can choose who to sign with over 400 different NBA players, each representing their own card. In addition, you will not only be able to choose from the current NBA stars, but also play against legendary giants such as Michael Jordan himself. As they play with each of their stars, they will begin to level up and gain advanced skills to dominate their opponents on the court. With over half a dozen different games to choose from, you'll find that the real star here is the online league. You'll face off against opponents and their dream teams from around the world in global online competition. The more games you win, the more fans you get, which means more sponsors and fame for all your glory opportunities. NBA 2K mobile basketball isBasketball in the truest sense of the word. Excellent control systems, well-customized gameplay, touch screen gameplay and excellent graphics, as well as various game modes and official NBA licensing ensure that the game leaves nothing to be desired and brings the real NBA experience to your smartphone. Reviewed by Andres Lopez Requires Android 6.0 or higher. NBA 2K Mobile Basketball is a basketball game that requires an internet connection. So it cannot be played offline. The leading scorers in NBA 2K Mobile Basketball are Kyrie Irving, James Harden, LeBron James, Anthony Davis, and Nikola Jokic. All have between 2800 and 2900 points. NBA 2K17 offers multiple ways to get in on the action, including Career Mode, MyGM, MyLeague, and MyTeam. These different modes require you to go through different levels of career management, from playing to single player progression to managing an entire league. The Next Best Star After Basketball If you've played NBA 2K before, the core of the game will feel familiar, although there are some improvements to the mechanics. Shooting is now more predictable, dribbling is easier and moreand the AI is slightly improved. Outside of the game, the various management modes offer a huge range of options. MyCareer offers a wide range of players compared to 2K16, although managing the calendar is not very exciting. MyGM also allows you to create and customize teams, arenas and other league features. A solid introduction to the series. NBA 2K17 is an enhanced version of its predecessor with improved mechanics and an enhanced single-player narrative mode. If you're a fan of the previous games in the series, or just a fan of basketball in general, this is a worthwhile purchase. Simple, smooth gameplay Improved, more open story mode Realistic commentary High performance by Michael B. Jordan Minor AI issues In-game Less exciting cutscenes More info Requires Android 4.3 or later Mobile TestingSecurity () NBA 2K18 is a basketball game. There are many basketball stars in the game. NBA 2K18 is a very realistic scene where players have the full NBA experience and feel the most realistic NBA confrontation here. apkaward.CoM A player's skill score is an important factor in his performance. The higher the skill value, the greater the physical strength. You can compete with the best players in the world and create the perfect basketball team. Team.
