If you are looking for a small corner of France in Melbourne, you have to jump to our French restaurant, Paris Go. We are considered the best traditional French bistro of Melbourne. Our chef / owner is proud to present a rich menu of the best dishes in the French restaurant. Upon your arrival, you will be welcomed by our friendly and competent staff. We are completely authorized and we accept B.Y.O only for wine and champagne. There are also classic dishes such as the steak tartare, the Bourguignon beef and the Cassoulet & Onion soup. You can easily find ourselves in Rathdowne Street in Carlton, near the University of Melbourne, and on your arrival you will be welcomed by our friendly and competent staff. We have a wide selection of typical dishes of what a real bistro french should be. We use the best local products and French ingredients that our chef Gabriel has gained working in the markets at wholesale during his youth, a French chef apprenticeship and then his 20 years and more property of Paris GO Bistro. Married 10/02/2021 Excellent, the best! Bistro to Go was absolutely amazing !! Nikki and the staff of her were so big and easy to work with the beginning event. end. were more than willing to meet / jump on phone calls to discuss details / calm me down during the panic of planning Covidi weddings !! Tim (Manager's Day / Coordinator) was extremely helpful and friendly - he made sure that we (wife and groom) get food and we were relaxed and also make sure that everything ran smoothly. Guests were enthusiastic about the food, the exceptional staff and the quality service. I would definitely recommend the bistro for anyone looking for a wedding catering (especially if you're thinking of making stations - he nailed it!). Posted on 10.10.05/2021 10.10.2021
