The questions of the questions are a useful part of all issues Languages.Asking help you discover where the train station is, what you will order from a restaurant or Time YouÅ é re meet an English friend.in, kind of a specific question is the Å é WH- question.a what questions help us to understand the world around us,why the sky is blue ? Where does the elephants live? What is the most popular food in China? Best of all, questions whering us to meet another people.What is your name? Where are you from? Who is your favorite actor? Questions WH- Make life exciting. TheyÅ é Tamba © m sÅ É o an essential part of English learning, especially as a beginner.But which the sÅ É WH- questions? How do you ask them, and how do you respond? Read more to learn the answers! ? What are questions wh- in English, there are many types of questions, but we can look for two main categories: yes / no questions and what questions.These Two types of questions will give two different types of answers. You both probably already guessed, a question yes / does not give a YESA a or an qea as a response (unless you will be mysterious and respond with a maybeian é or a I don t knowÅ é ). Because of this, yes / are not considered closed questions because usually there are only two options for Answers.For example, I could ask, Å é you want extra anchovies in your pizza? To be re-é As me, Response d YouÅ é, a no! You could also respond to a single or perhaps, a, but I think everyone can agree that no one really likes anchovies. Questions Wh- Can not have a YESA or NOA as an answer. Instead, these questions require information. This information could be anything, and then é so ask questions are called open questions. The options for answers are example limitless.for, if I asked, Å é What do you want in your pizza? You will need to respond with the name of a pizza at the top. You can answer, a pepperoni, or the mushrooms é or, God forbids me, Å é nchovies.Å é But you can tell a single to this question. He only wouldnÅ é t makes any sense! Why is it important to learn WH- questions?

Questions WH- is one of the main ways to ask questions in English.Asking what questions can help you discover important information about places, people, ideas and things. You can use WH- Questions on conversations to know more about someone, and theyÅ é will ask you questions wh- To learn more about you.furthermore, WHAT BÅSY QUESTIONS are very useful for people traveling to Speak English Countries.Wh- Questions you can get the directions for an attractive hotel, hotel or restaurant. Travelers can use WH- questions to ask about the price of a souvenir or legal tourist experiment. If you are sure something in a menu, you guessed: use a question wh. practical wh. Online Questions on Wholevan questions means youÅ É ll be able to form them when you talk about English! You are going to need Practice.Lucky for you, there are many places you can practice questions wh- Internet.One of the best ways to practice questions wh- is seen them in English real speech. For this, I recommend English Fluentu. Fluentu takes real world videos, like music videos, movie trailers, news and inspiring talksÅ é and transforms them into personalized language learning lessons.fluentu is the Language Language Language Language to learn english with best Internet . Using video, such as music video, movie trailers and TV clips, you can hear as speakers in real-world native situations to use WH- Questions and practice your own. I recommend checking one of FluentUÅ é s many vÅdeos on questÅpes as questions about a work and JobsÅ é and simple Å é WhereÅ Questions.Å é prÅtica looking for more? Enough of About what are Questions Wh-, Let;'s learn to ask them! Check out this guide BeginnerÅ é s to request what verbfor reversing the guy and the verb, letter look in the question of one who is a begin with a word WH-?: Whochis is followed by a verb: ISFINALLY, we put the subject: Sheput all together and you begin the question: Who is she Å é é? So, what does this mean to reverse the guy and the verb well, let's look with the question and answer: Who is she? She is my teacher. Instructions you can see, declaration puts response the subject before the verb (her ISA). To form a question wh-, we invert this order, to get a she is. If you did not invert the order, Wea D get one who is she? The one that is not correcting in English.using one of the supports a means of supports that the verb qa is placed after the word wh- followed by the subject. The verb Å é "" can be both in the present or example tense.for past, look lettÅ é s with the question: what you want to eat at dinner in this case, to a word whathÅ é gets a matter, followed by the word es. Å é Then we have the theme é youÅ é and then the verb Å é want.Å é all extra information (Å é to eat for dinnerÅ é) follows verb.we as well © M can change the verbal time of this issue, changing the verbal time of the word, one of the pretÅ © rite would be: what do you want to eat for dinner? For future time, simply replace the word qaa with a willa :? What will you want to eat for dinner This osc from supports can also be negative, including the word Å é note or contractions iadnÅ é t.a. For example, we can get questions like :? Why did not he come to the party who didnÅ é t finish your homework that did not like you about the movie? Questions WH- Wordswh- are named for the words that are at the beginning of the own questions. Leta s take a look at these words in detail. By the way, DonÅ é "" t be amazed to see a word that gets with a h in this using a list.whatwe WHATÅ é to ask about something. Generally, the answers to these questions sÅ É o a noun, as a place, thing or idea.Examples include: What Å é © your favorite book time sÅ É o What do you study in college You Tamba © m can use a whatÅ é A ??? Ask someone to repeat something if you did not listen or understand something: What did you say again what? WhenTo ask about the time or date, we use the word WH- question Å é é when.Å Examples include :? When is the beginning of the movie when you finish your home lesson when we meet in the restaurant for a specific time? . you could replace a whena with one that team. What time does the movie begin? Where Å é jā é jā é "" s the trogative pronoun used to ask about the location. For example, you may ask:? Where do you go to school where you were born where are the Whouse Bar Å é é to ask a question that requires the answer to being a person or several people. EXAMPLE Questions include? : Who is your brother who you have lunch with whom your favorite actors and actresses Å é Å é "" s a word similar to an WHO, but it Å é do not always use every day ?? English.technically, Å é WhomÅ é also asks about a person or people, but here theyÅ é re the object of the sentence. For example, you may ask: to whom should we send the letter? We must send the letter to my mom.Keep in mind, however, that a whomÅ é "" s a little formal. You can replace it by a WhoÅ é on every day conversation.WhyÅ é WhyÅ é is used when asking for a reason or an explanation. The answers to these types of questions generally include the word Å é because. é For example: Why is the stove on? It é s in question IÅ é m of boiling water for paste.Why didnÅ é t you come to my party? Because I was very tired.Whichwhen give someone a choice or asking them about a choice they have already done, start the issue with a which.A é For example: Ice cream type, strawberry strawberry Chocolate? What movie did you prefer? Whosetst a question with "When you want to know about who owns something. For example, you can ask and answer: of who is this book? Å % My.Good puppy is this? This puppy belongs to Phil.Howwhile the word Å Å é "As it does not begin with a WH-, ÅfÅ Å É o on this list because it acts in the same way as the words of the question. Å "OwÅ é Å é é To ask how or way something works or happens. For example: How did my car scratched? How do you british cuisine? In addition, you can use "How can you do about condition or quality? Something. For example: How was your day at work? How was the movie you watched last night? Is your cat doing? Adding an adjective or ADVORE After the word "as you can also ask for a specific information. Here are some of the most common examples: Å é Å é "As now Å é é" Question about the distance Å Å é "How far is the mall? Å é "" "How much time Å é é" Question about time Å Å é "How long have you cooked Peru? "How many Å é é" Question about a quantity that can be told - how many rooms are in your home? Å é Å é "As much Å é Å é" Question about a quantity that can not be told - How much water do you drink every day? Or, you can use "as much", to ask about money - how much did you pay for your car? Å é Å é "As old Å é Å é" Asking age - how old is your child? Å é Å é † † Å é ~ Å é Å é Å é ~ Å é jā é jā é jā é jā é jā é jā é Why Å é Å é "Why did not you come to school yesterday? Practice WHY questions with the example of sentence summls, or to say! Fill in the blank spaces for each of the following questions with one of the two words between parseses. Write your answers on a piece of paper. Then check your answers below. " \_\_\_\_\_ Is the name of your dog? [What, like] \_\_\_\_\_ Oranges you bought? "How far, how far." Did you grow up? "Who, where)" \_\_\_\_\_ Is your favorite actor? "Who, when" \_\_\_\_\_ is the movie? [As it comes, how long ago] Å é é" \_\_\_\_\_ You studied biology? [Which, why] ~ Å é ~ Å é " \_\_\_\_\_ Bag is this? Do you buy it? [Why did you do this? [How, who] \_\_\_\_\_ The office is the office? [How much, where] ~ Å é 00 \_\_\_\_\_ Should we send this package to? [Why, who] ~ Å. \_\_\_\_\_ Åf Å é "" [How many years, how many Å é Å é jā é jā é é? é? [Who, where] your cost.? [How many, how old did you buy this house? [of whom, when] ~ Å. ~ Å \_\_\_\_\_ ~ Å ± Å É o was for university? Å é Å é ~ [until now, as] test answers Å Å é " What is the name of your dog? Å é Å é "How many oranges bought?" Where did you grow up? Å é Å é "Who is your favorite actor? Å é" How is the movie? Å é Å é "Why did you study? Biology? Å é" When the bag is this? Å é Å é "Which car did you buy? Å é" How did you do that? Å é Å é "How is the office? Å Å é" What should we send this package to? Å é Å é "How old is your father? Å é "" ~" Have you said? "Almost the cost of the jacket?" Å. "Why did you buy this home? "How did you come to university?" Now that you have learned everything about questions, you can be able to have all kinds of conversations in English of small conversations with job interviews! But do not stop by AA: who knows until where will you take you? If you liked this post, something tells me you will love Fluentu, the best way to learn English with real world video.
