Social Fund investments are subject to market risks, they carefully read all documents relating to the scheme. Jul 12, 2021 Version 107.0 The carrier bar and the back button is superimposed at the top so I can't press the back button I don't like to vote even 1star, I started investing for the first time, and the dependency counseling person helped me register in the app but after a few weeks I was updated the application when I updated that automatically logged in n I tried a lot to access, I notified the branch in margao Goa worry people say that no one hv for technical prblm n hv to call for customer support n complained customer support online, but only the solution that they say mail I sent us also but in response I received email saying email ID is wrong. Such a bad plz experience I recommend never go for this type of service. I'm sorry.this application for 2 years. app is really useful in terms of getting investment information. the only thing I would suggest to improve the user interface, it seems age back than other applications. ladies. greetings from nippon india indiaBottom! We appreciate your feedback to improve the app experience. We assure you that your feedback is well known by our experts. For further assistance, please write to us at contact@nipponindiam.com. We will be happy to help you. Regarding, Team NIMF The developer, Nippon Life India Asset Management Limited, indicated that the app's privacy practices may include data management as described below. For more information, see the developer's privacy policy. The developer does not collect data from this app. Privacy practices may vary according to, for example, the features you use or at your age.
