This one escapes, accidentally leaving his veil behind. Upon arrival, the Pyramus finds the veil, and believing that the lioness killed this, falls on his sword "Letterally. This returns to find his dead lover, and then she also dies of a self-inflicted wound from the sword of Pyramus. While "Pyramus and Thisbe" may not have been Shakespeare's direct source for "Romeo and Juliet", it was certainly an influence On the works from which Shakespeare drew, and used the trope more than once. In fact, "Romeo and Juliet" was written in a competing time period for "a dream of a mid-summer night", in which "Pyramus and Thisbe" is staged as a game within a game ... only this time for comic effect. After the young lovers die, the capulets and the montagues finally agree to put an end to their fief.
