As Knights of Columbus it is our responsibility to provide our youth with the means and the opportunities to become personally committed and involved in meeting the challenges of our times. Today's youth are looking for a challenge, for responsibility, for faith and trust. The youth of today are often condemned because of the uncontrolled actions of a minority of young people. There is a great deal more that all of us can do to improve our youth programs. We need to recruit as many of our members as possible to work with our young people. As adult leaders we will help mold our young people into the leaders of tomorrow. We will have the opportunity for what they are saying. The Knights of Columbus has five programs that are for the youth of our community. Four of these programs are conducted on the international level. They are the Columbian Squires, the KofC Free Throw Contest, the KofC Soccer Challenge, and the KofC Substance Abuse Poster Contest. The fifth program is conducted only at the council level and that is the KofC Essay Contest. Each of these programs has something to offer to our youth. For further information on any of these programs, look in your Council Report Forms Booklet. Just send in the appropriate form (soccer, free throw, poster, etc) to receive a kit with all of the information needed to implement any one or all of the programs mentioned above. All of the program information and forms are also available on the Supreme website ([www.kofc.org](http://www.kofc.org)) or contact the State Youth Activities Director, Keith Cahill. The Squires program is designed to develop young men as leaders who understand their Catholic religion, who have a strong commitment to the Church, and who are ready, willing, and capable of patterning their lives after Christ. Contact Mike Madden for more information.
