Foreman, and Celia Barerra, who offered guidance and support. Thanks to the University of Illinois Graduate College for awarding me a Dissertation Completion Fellowship, providing me with the financial means to complete this project. Example of Acknowledgement For Thesis - Sample 3 This short acknowledgement is written by Matthew Brillinger from University of Ottawa for his thesis. You can check the full thesis sample here. University: University of OttawaAuthor: Matthew BrillingerFull Thesis Sample: Joel Westheimer has been an ideal teacher, mentor, and thesis supervisor, offering advice and encouragement with a perfect blend of insight and humor. I'm proud of, and grateful for, my time working with Joel. Sharon Cook taught the course where I first wrote about educational parks, and Lorna McLean taught the course where I first wrote about educational park planning in Berkeley. This thesis builds on work done in those courses, and many of its ideas were developed with Sharon and Lorna's help. I was delighted when Sharon and Lorna agreed to be on my thesis committee. Agata Soroko is an inspiring colleague, blazing a trail I followed in writing my thesis. Members of the U.C.L.A./University of Ottawa Inequality Project provided a number of helpful comments and suggestions. Christopher Harter and the other staff at the Amistad Research Center made my archival research both productive and enjoyable. Many thanks to my parents and children. Immense gratitude as always to Carol for her patience and support. Acknowledgement Sample For Thesis - Sample 4 University: Columbia UniversityAuthor: Julien Saint ReimanFull Thesis Sample: Countless people supported my effort on this essay. Professors Elizabeth Blackmar and Mark Mazower provided invaluable feedback on my analysis and framing, at times responding to emails late at night and early in the morning. Several other professors gave helpful advice as I wrote, including Manan Ahmed and Mark Carnes. I especially want to thank Professor Anupama Rao. Her course on Bombay and its Urban Imaginaries led me to Columbia University's UNRRA Papers, and her encouragement to write this thesis made me confident that the topic was worthy of my investigation—and that my investigation was worthy of the topic. I am indebted also to several Columbia students. Graduate scholars Kellen Heniford, Divya Subramanian, and Sohini Chattopadhyay helped me find my footing as I started this process. Dore Feith read this piece four times, and his careful eye and knowledge of 20th century foreign affairs pushed me to be the most honorable historian I could be. Libby Kandel's advice also lays between the lines of this essay. Lastly, my family deserves endless gratitude: my father for teaching me to appreciate history and storytelling, my mother for teaching me how to write with concise purpose, and my brother for teaching me that an assertion of dominance is not necessarily a bad thing. To my family, I give everything, including this. Acknowledgement Example For Thesis - Sample 5 University: University of OttawaAuthor: Heather MartinFull Thesis Sample: Thank you to my supervisor, Dr. Holly Johnson, for your patience, guidance, and support. Thank you to Margot Charbonneau, Operations Coordinator at the Institute of Feminist and Gender Studies, for all of the kind words and assistance you have provided. Thank you to my parents, Marilyn and Gerry Martin, for your endless support. You have always stood behind me, and this was no exception. Mom, thank you for fielding a ridiculous number of phone calls, for calming me down, and for proofreading anytime, anywhere. Dad, thank you for all of your love and for always reminding me of the end goal. Thank you to my sister, Lori Martin, for always being there for me and for telling me that I am awesome even when I didn't feel that way. Thank you to Donna and Steve Taylor, for your overwhelming generosity and for taking me in as one of your own. Thank you to my partner, Andy Taylor, for constantly listening to me rant and talk things out, for proofreading over and over (even after long days at work and during difficult times), for cracking jokes when things became too serious, and for the sacrifices you have made in order for me to pursue a Master's degree. Thesis Acknowledgement Example - Sample 6 University: University of OttawaAuthor: Guillaume ThekkadathFull Thesis Sample: I acknowledge the generous financial support from the Natural Sciences and Engineering Research Council of Canada and the University of Ottawa. I am indebted to my supervisor, Jeff Lundeen, for his continued guidance and an endless supply of fascinating projects. His unassuming approach to research and science is a source of inspiration. This approach is reflected by his simple but clear writing style, which is something I hope to carry forward throughout my career. I gratefully recognize the help of the Lundeen lab post-doc, Lambert Giner, whose Labview codes automated my experiments. In fact, computers did most of the work in this thesis (they never get their due credit). I also had the pleasure of working with Rebecca Saalnik, who graciously showed me the ropes of her cloning apparatus. I am fortunate to have been a part of the CERC group. Thank you for the fun squash matches Kashif and Shayan, and thank you to my officemates for the lively physics conversations (especially Akbar, who always asked difficult yet simple questions). It is important to strike a balance with life outside the dark depths of the lab. As such, I cannot stress enough about the importance of my weekly retreat to HooNation with friends. Most importantly, I am grateful for my family's unconditional, unequivocal, and loving support. I would also like to thank my cohort for their camaraderie and support. Your friendship made writing less of an isolating slog through hell. Finally, Eric. You were always there, wherever and whenever that was. Each midnight draft, each early morning rant, each time I cried and screamed and swore that I would never, ever write again. You name should be on this thesis as much as mine. Acknowledgement for Thesis - Sample 14 University: Nottingham UniversityAuthor: Jean D. M.
