That goes for agreements and contracts, tax forms and almost any other document that requires a signature. She went from self-conceptualizing as part-Native American, to being ostensibly Native American when it suited her notion of identity or when she had to box-check forms. Do you all have any idea how common this is?? Ask people that work at school or college admissions or in the Child Welfare spheres. People with no real affiliation, and usually no actual ancestry for that matter, will frequently mark these Native American boxes under race or self-identify as such on various forms. And in some cases, it causes real bureaucratic headaches! You basically have to waste time verifying if this is legitimate Native status or ancestry or if it is "lore"-based rubbish. In the Child Welfare system, state workers and Cherokee Nation employees get bombarded with forms that have to be verified (as to tribal status). Press Done and your signature is ready. Here's a random White dude - in this case a moderately well-known rapper - that is talking about being "Cherokee." Skip to 1:33. Notice how he talks about this status because there is no cache in being "White"? It gave me something more than just "Whiteboy." That's very common! In other interviews he says he is half Cherokee, or his dad is Cherokee. All of our Medicare Plus Blue plans cover routine eye exams. When visiting an out-of-network provider, you are responsible for payment of services and/or materials...
