## Best offline bible app for android

Hello Christians, I have carefully selected the best offline Bible Apps for Android in 2021 from the numerous list of other Bible apps available for download from different sources. There are both online and offline Bible apps but I guess you will prefer offline apps because the don't require internet or wifi to work. So I believe this post is for Christians and religious people who are searching for the best Bible app to download and use on their Android phone. If you are in that category, you are definitely in the right place. There are many things you can do with an android smartphone including reading news with news apps, watching movies, watching football, making instant payments, communicating with people and even reading the Holy Bible which is what we are concentrating on this post. Bible apps for Android keeps you more closer to God and His words because the phone is one of our valuable belongings that goes everywhere we goes 24/7. Advantages Of Having A Bible App On Your Phone It draws you closer to God. You learn more word of God. You are always with Gods armor everytime to fight the devil and his agents. As a Christian, you become more prayerful. You can have different translations and versions of the Bible installed in your phone for easy understanding. You don't need the internet to use or read offline Bibles . It's easier to locate Bible quotations with a Bible app than with the traditional hard copy Bible book. You can share selected bible portions directly on social media with a tap. You can also share Bible quotes with friends, family and colleagues. Bible apps are relatively small in size unlike gaming apps that comes with huge files and OBB Data files. Bible apps makes you look classy especially when using it on a tablet or iPad. Above all, these apps are free to use.
