Bloons Tower Defense 6 Game Review Download & Enjoy Free Music Now without pay In the Bloons TD game, you have to prevent balloons from reaching the end of a defined track on a map by placing towers or road items. You can also pop the bloons in a variety of ways. Some towers can delay the bloons and give chance to other towers to pop them by freezing and gluing the bloons. You can earn in-game money by popping bloons and completing levels and that money can be spent on new towers, upgrades for existing ones, or other items. If a bloon reaches the end of a path, the player loses lives, once all depleted, the game ends. The bloons always follow the map's set path on the track until they either reach the exit, are popped, or are moved away by towers. Towers are the main defensive utility in the Bloons TD series. Each tower has its own unique purpose, power, and use, with some being powerful against specific bloons but unable to target others effectively. Every tower can be upgraded to increase power. There are two classes of bloons in the game: regular and MOAB-class. The regular bloons consist of: red bloons, blue bloons, green bloons, yellow bloons, pink bloons, black bloons, white bloons, lead bloons, zebra bloons, rainbow bloons, purple bloons, and ceramic bloons. MOAB-class bloons are in the shape of a blimp and consist of: MOAB (Massive Ornar Air Blimp), BFB (Brutal Flying Behemoth), DDT (Dark Dirigible Titan), the ZOMG (Zeppelin Of Mighty Gargantuaness) and the BAD (Big Airship of Doom). As you progress to new levels, the intensity of bloon waves proportionately increases. In Short About Game. Bloons tower defense game review Bloons tower defense 6 game is really amazing.
